In the Breeze

Tune: Frère Jacques

Leaves are falling, leaves are falling,

From the trees, from the trees.

Red and yellow,

Orange and brown,

In the breeze, in the breeze.

Three Little Clouds

Three little clouds up in the sky

Drifting, floating way up high

When a big gust of wind came blowing through

--whoosh!!--

One disappeared from the sky so blue!

How many are left?

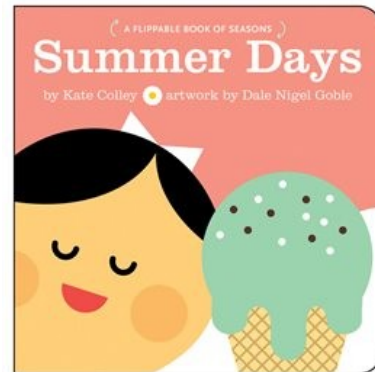

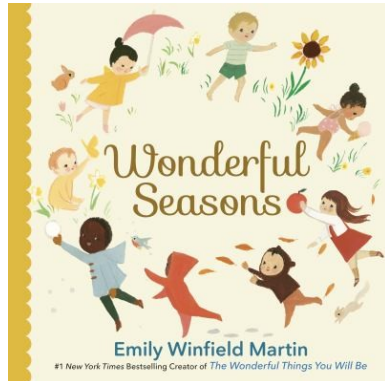

(Count down)
