We're Going on a Monster Hunt

Tune: We're Going on a Bear Hunt

We're going on a monster hunt.

We're going to find a big one!

We're not scared, but....

What if he's under the bed?

Better go over it!

What if he's in the closet?

Better close it!

What if he's in the hallway?

Better tiptoe down it!

What if he's in the garage?

Better stomp through it!

Aahh! It's a monster!

What's that you say?

You're big, but you're friendly, and

you want to go to bed?

Okay...

Stomp through the garage,

Walk through the hallway,

Open the closet,

Jump into bed,

And say good night!

Write

Draw pictures of different monsters and make up a story to go along with them! Work together to make a monster book. Your little can write the first letter of each word while you write the rest, or your little can tell you what to write while you write it out in highlighter and they can trace over it. Drawing is a beginning step in learning how to write! Even scribbles. It helps develop the fine motor skills needed to write.
